Impact

A good measure of our success with the sports premium money was achieving a gold award from the youth sports games.

The impact this year will be measured in a bigger percentage of children participating in both intra and inter school competition and maintaining our gold standard kitemark.

To achieve GOLD LEVEL, we have met the following:

- ✓ Provide **all** pupils with two hours of physical education per week.
- ✓ Engage at least 50% of pupils in extracurricular sporting activity every week.
- ✓ Offer talented young sports people specific support to help them to develop their sporting potential.
- ✓ Participate in at least 9 intra-school and 9 inter-school competitions throughout the year.
- ✓ Field B and C teams furthering opportunities for both boys and girls to take part in inter-school competition.
- ✓ Regularly feature match reports and results on the school notice board and website.
- ✓ Engage at least 20% of students in leading, managing and officiating sport.
- ✓ Have a school sport committee in place.
- ✓ Utilise sport coaches.
- ✓ Provide CPD to train all staff.
- ✓ Have active links with 6 or more local sports clubs.

(Number of pupils = 128 x £10 = £1,280 + £16,000 = £17,280)
