

Park and Parkwall Primary Federation Attendance Policy

**Working together to empower children to become
aspirational, global citizens**

This version dated	Summary of changes	Next review date
Jun 2022	Updated Monitoring Attendance Roles, Responsibilities, process	Jun 2023

1. Rationale

Regular attendance and excellent punctuality are the foundations for academic achievement and personal development. They establish a responsible attitude towards the opportunities available at school and underpin the basis for the world of work. Attendance and punctuality are strongly linked to students' well-being and safety. Regular attendance demonstrates a commitment to learning and the school community please ensure that you and your child/children support our school rules about attendance.

2. Guiding Principles

We are committed to ensuring that all students benefit from the opportunities available at The Park and Parkwall Schools. Our expectation is that students arrive on time and attend regularly that is -every day that the school is open unless there is an unavoidable reason for not doing so. We explain about different types of absence in this policy and we will actively promote this ethos throughout the school community and encourage our students to achieve this. Where this expectation is not met, we will identify and address the barriers that prevent this.

3. Responsibilities

- The Education Act 1996 states that parents/carers have the primary responsibility for ensuring that registered students of school age attend school regularly and punctually and that they receive an education suitable for their aptitude and ability.
- The school have a legal responsibility for maintaining school registers and taking the register twice a day.
- The school also has a responsibility for reporting absence to the Local Authority.
- We also have safeguarding responsibility and duty of care to all our students.
- We encourage our students to become independent young people including taking responsibility for their attendance and punctuality when this is age appropriate.

4. Attendance

- We expect our students to attend school on time every day that the school is open unless there is an unavoidable reason for not doing so for example -illness
- We will celebrate and reward students who achieve our expectations of a high level of attendance and those who have shown sustained improvement
- We will share attendance information with parents/carers and students focusing on the link between attendance and achievement
- We will promote high attendance and punctuality through assemblies, class discussion; reinforcing the link between attendance and achievement
- The school will communicate attendance matters to parents/carers via messaging; telephone; email; letter and through the school website. Discussion about attendance will also take place at parent/carer consultation events

5. Absence from school

There are only two categories of absence from school:

- **Authorised – approved**
- **Unauthorised – not approved**

Only the Head of School (or their delegate) can approve an absence from school. That is the law.

Absence will be recorded using the code recommended by the Department for Education Guidance.

Requests for absence in term time must be submitted in writing in advance to the Head of School who will treat every request on an individual basis and respond accordingly. The rules about what type of absence is acceptable is set out below

Authorised (approved) absence – types of authorised absence that may be approved: -

- Illness
- Leave of absence - for bereavement, funeral, wedding
- Medical absence for appointments – at Hospital or Orthodontic appointments. (Non- urgent routine check-up appointments should be made out of school hours) Students are expected to be absent for the minimal amount of time and not absent for the whole day.
- Religious observance - one day to participate in an organised religious event
- If a student is excluded from school for a behaviour related incident, this is an authorised absence.

Unauthorised (not approved) absence – types of absence that will not be approved

- Absence due to birthday, shopping for uniform, looking after family members.
- Holiday in term time unless there are exceptional circumstances agreed to by the Head of School – in line with changes to the law implemented in 2013.
- Late arrival to school after the register has closed has to be recorded as an unauthorised absence unless there is an exceptional reason

Unauthorised absence can lead to parents /carers being fined by the Local Authority

- All absence – authorised and unauthorised – will be analysed and subject to challenge to ensure that any concern regarding frequency, pattern or validity is acted upon swiftly to ensure safeguarding responsibilities are met
- Parents/Carers are expected to contact the school on the first day of absence and each day thereafter informing the school of the reason for absence and the expected date of return to school.

Safeguarding

All unexplained absence from school will be followed up each day by contacting parents/carers. If no response is obtained, contact will be made with people listed as emergency contact numbers to ascertain a student's whereabouts and safety. Parents/Carers are required to provide the school with two emergency contact numbers. Where no response is received a referral may be made to the Access and Response Team or the Police

Removal from Roll

There are strict grounds as to when a school may remove a student from the admissions register. These are outlined in Regulation 8 of the Education (Pupil Registration) Regulations 2006 and the school must notify the Local Authority

6. How our policy works in practice

Punctuality

- Bell goes at 8.45am
- Registration takes place at 8.55am.
- Registration closes at 9.30am
- Students who arrive who arrive after 9am but before 9.30am will be recorded as Late (L)
- Students who arrive after 9.30am will be recorded as unauthorised (U)
- Frequent late arrival will be challenged by the school.
- Persistent late arrival will result in parents and students being asked to attend a meeting with the school Education Welfare Officer and Attendance Officer or DSL

Medical appointments

- We monitor the amount of time missed due to medical appointments carefully.
- We acknowledge that hospital and specialist clinic appointments, including orthodontic and on-going dental treatment may require a student having time out of school. Our expectation is that the minimum amount of learning is lost. We will seek an explanation from parents where a whole day is missed for this reason.
- Routine, non-urgent appointments must be made after school or during the school holidays. Proof of unavoidable medical appointments in school time must be provided for the school. This can be in the form of an appointment card/text message or prescription note

Illness

- Students are likely to experience bouts of illness from time to time. Some students will be managing chronic or more serious medical conditions that impact on their attendance. We have a duty to support students in these circumstances to ensure they do not miss out on education.
- When a student is identified as having frequent absence for reasons of minor illness, a meeting will be arranged to discuss this with the Head of School and Education Welfare Officer to consider whether an individual health care plan is appropriate.
- If your child is off sick immediately prior to or after a 5 day authorised holiday we will require medical evidence to support that absence, otherwise we will mark it as unauthorised.

Holiday absence in term time

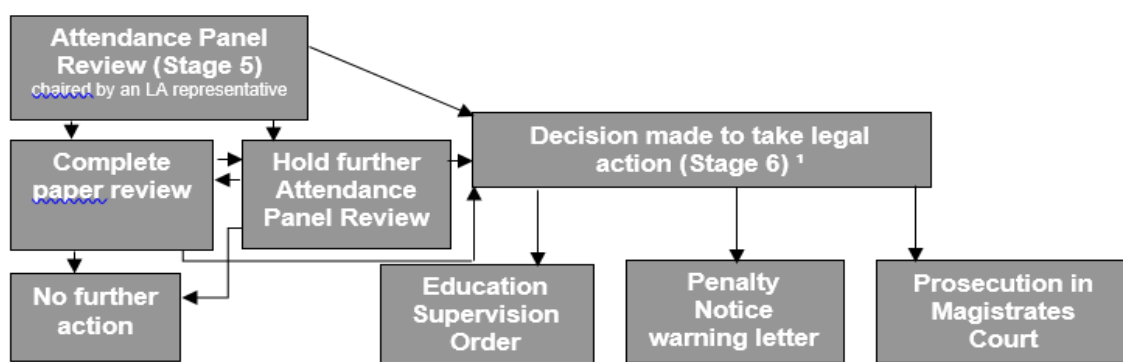

- If a parent feels there are exceptional circumstances that support a request for leave of absence in term time; they must put the request in writing to the Head of School in advance of the absence
- Each case will be considered on an individual basis and the decision communicated to the parents. Only the Head of School can agree to absence in term time
