

Families

Hello everyone!

My name is Debbie Emes, I am very excited to join this wonderful school as a parent support adviser.

I am a mother of 2 grown up daughters and 3 grandchildren. I have worked in education over 20 years and have helped families for a period of 8 years.

I am happy to listen to any concerns that may impact your child's learning or happiness. I am also here to support parents and families with any worries you have.

You can catch me in the school playground if you need a quick chat or you can contact the school office if you need to me to call you to arrange an appointment.

I can meet you in school or if you live local then in some circumstances I am able to home visit.

I am happy to help with,

New starters/settling in/new families/community learning

Holiday clubs

Challenging behavior/attendance/homework issues/bullying.

Well-being/self-esteem/building resilience (parents and children)

Money management/debt

Family relationships/new baby/family breakdown
